ಅಧ್ಯಕ್ಷರು.—ಈಗ ಕೊಟ್ಟಿಗೇನಹಳ್ಳಿ ಕಾಂಗಾರಿಯ ವಿಚಾರವಾಗಿ ಮಾತ್ರ ಅವರು ಕೇಳುತ್ತಿದ್ದಾರೆ.

Sri M. N. NAGHNOOR.—The estimate has been approved on 24th November 1958 and it is under execution. My friend has asked as to what are the works included in the budget and not taken up so So we mentioned these.

ಶ್ರೀ ಕೆ. ಪಿ. ರೇವಣ್ಣಸಿದ್ದಪ್ಪ.—ಪಿ. ಡಬ್ಲ್ಯೂ. ಡಿ. ನಲ್ಲಿ ಯಾವ ಯಾವ ಕೆಲಸ ಎಷ್ಟೆಷ್ಟು ದಿವಸ ಯಾವ ಯಾವ ಆಫೀಸಿನಲ್ಲಿದೆ ಎಂದು ತಿಳಿದುಕೊಳ್ಳುವ ಮನುಷ್ಯ ನಾನು, ದಯೆಯಿಟ್ಟು ದೇಶದ ಹಿತದೃಷ್ಟಿಯಿಂದ ಸರಿಯಾದ ಉತ್ತರ ತಿಳಿಸಿ ಎಂದು ಕೇಳುತ್ತಿದ್ದೇನೆ.

Sri H. M. CHANNABASAPPA.—The Hon'ble Member has been repeatedly making this remark. It would not be fair on the part of the member.

ಶ್ರೀ ಕೆ. ಪಿ. ರೇವಣ್ಣಸಿದ್ದಪ್ಪ.—ತಾಂತ್ರಿಕ ಪರಿಶೀಲನೆಯಲ್ಲದೆಯೆಂದು ಹೇಳಿದೆ. ಆ ಪರಿಶೀಲನೆ ಮುಗಿಯಲು ಎಷ್ಟು ವರ್ಷ ಬೇಕು ?

Sri M. N. NAGHNOOR.—It was first included in the unsanctioned budget works and taken up for survey and preliminary estimate for Rs. 60,000 was prepared and now it is under the active consideration of the Chief Engineer for an estimate of Rs. 73,500—final estimate.

ಶ್ರೀ ಕೆ. ಪಿ. ರೇವಣ್ಣಸಿದ್ದಪ್ಪ.—ಒಂದೊಂದು ಆಫೀಸಿನಲ್ಲೂ ಎರಡು ಮೂರು ನಲ ಅಬ್ಜೆಕ್ಷ್ ಹಾಕುವುದರಿಂದ ನಿಧಾನವಾಗುತ್ತಿದೆಯೆಂಬುದು ಗಮನಕ್ಕೆ ಬಂದಿದೆಯೆ ?

Sri H. M. CHANNABASAPPA.—It may be. I have on many occasions acquainted the Honourable Members of this House that sometimes it will be necessary for papers to go up and down because sometimes technical scrutiny is to be made. I don't approve that the number of times should go for technical serutiny should be many but sometimes it is inevitable because the project is going to receive higher technical scrutiny; they will examine and probably find out the mistakes that the lower man has not found out and make rectifications.

Injuries sustained by students during disturbance at Bangalore.

*Q.—196. Sri K. KENCHAPPA (Hiriyur).—

Will the Government be pleased to state :—

(*a*) the number of students who were injured or died during the disturbances at Bangalore in December 1959 ;

(*b*) the nature of injuries as disclosed by the Medical Certificates issued in respect of those who were injured or died ?

A.—Sri B. D. JATTI (Chief Minister).—

(*a*) Died : One.
Injured : 32.

(*b*) A list containing the names of these students and indicating the nature of injuries substained by them and also a copy of the *post mortem* report are placed on the table of the House. Placed in the Legislature Library No. 15/L.A. 1960-61 (Budget).

Sri K. KENCHAPPA.—Is it your opinion that the contents contained in the certificate of the doctor would give an indication that the cause of the death of the person is due to a fall from a height ?

Sri B. D. JATTI.—The Honourable Member knows that I am not a doctor. It is the opinion of the doctor who has examined that case.

Sri K. KENCHAPPA.—Would the doctor's opinion indicate that it is due to a fall from a height ?

Sri B. D. JATTI.—Whether the doctor's opinion indicates or not, is a matter for the court to decide, but the opinion which has been given by the doctor is to be placed before the Court for examination.

Sri K. KENCHAPPA.—How have the Government understood this grave affair and what attention have they devoted to it in order to know if the opinion of the police is correct or not ? You have stated that you are not a doctor ; but the opinion of the police is that it is due to a fall. At least have the Government devoted their attention to know whether the opinion

given by the doctor would give an indication that it is due to a fall?

Sri B. D. JATTI.—From the opinion given and from the explanation contained in the post-mortem report it appears that it is due to a fall or external injury.

Sri K. KENCHAPPA.—The Chief Minister says that "It appears" I want to know what is the fact.

Sri B. D. JATTI.—That is a matter of opinion. If the hon'ble member does not agree with the viewpoint of the Government I cannot make him agree.

Sri K. KENCHAPPA.—Is it not the duty of Government to know what the fact is?

Sri B. D. JATTI.—Government has tried to know the fact. The post-mortem report is before the Government. The opinion expressed by the doctor is to be accepted by the Government unless it is proved otherwise.

Sri G. VENKATAI GOWDA.—Was any investigation made to know what is the exact cause of the death?

Sri B. D. JATTI.—It has been mentioned here that the death was due to fracture of the skull and intra cranial haemoruhage which could be due to external violence.

Sri G. VENKATAI GOWDA.—I want to know what invetigation has been made?

Sri B. D. JATTI.—He might have fallen from the staircase and it is due to that. That is the inference.

Sri K. KENCHAPPA.—How did Government come to know that he might have fallen from a height? What is the source of Government for this information?

Sri B. D JATTI.—The possible sources are only two. One is the post mortem report given by the doctor and another is the investigation report given by the Police Department.

ಶ್ರೀ ಜಿ. ನಾರಾಯಣಗೌಡ.—32 ಜನ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಗಾಯಗಳಾದ ಸಂಬಂಧದಲ್ಲಿ ಆಸ್ಪತ್ರೆಗೆ ತೆರಿಸಿದ್ದರು. ಡಾಕ್ಟರು ಈ ಗಾಯಗಳು ಎಷ್ಟು ದಿವಸಗಳಲ್ಲಿ ಪಾಸಿಯಾಗುತ್ತದೆಂದು ಸರ್ಟಿಫಿಕೇಟ್ ಕೊಟ್ಟಿದ್ದಾರೆಯೇ?

Sri B. D. JATTI.—They were all minor injuries. There are cases pending against students from Mysore and Bangalore

Sri G. N. PUTTANNA.—Is it not a fact that the boy was beaten by a constable while he was drawing something sitting at his desk and as a result of that he fell dead on the spot itself?

Sri B. D. JATTI.—That is not the report of the Government.

Sri V. SRINIVAS SHETTY.—Did the police make an investigation of the whole affair of the death of this boy and the injuries caused to the other students and come to any final conclusion in the matter?

Sri B. D. JATTI.—A Special Officer of the status of a Divisional Commissioner has been appointed to inquire into this matter in detail and submit report.

Sri V. SRINIVAS SHETTY.—This is a very serious case of injuries caused to certain boys and death caused to a student and the police were there on the spot. Did the police and the Government think it necessary to go into the cause of the death of the student immediately?

Mr. SPEAKER.—The reply of the Government is that a Special Officer has been appointed.

Sri V. SRINIVAS SHETTY.—The Special Officer was appointed two months later. When serious injuries were caused to certain boys and death was caused to a boy, did the Government and the Police Department think it necessary to investigate the case immediately on their own and come to a final conclusion and file charge-sheets against the culprits?

Sri B. D. JATTI.—There are two types of reports. One is the report which we got immediately after this incident took place from the police officers. That report is before the Government. According to that report and according to the post-mortem report, the conclusion which I have just now stated is the conclusion. To find out more details about the cause of the death or the alleged excesses of the police a Special Officer has been appointed. He has not yet submitted his report.

Sri V. SRINIVAS SHETTY.—Is the Criminal Procedure Code which applies to all offences, suspended in this particular case in this State?

Sri B. D. JATTI.—According to my information the Criminal Procedure Code is not suspended on any account for any offence.

Sri V. SRINIVAS SHETTY.—Why is it then not applied to this particular case resulting in the death of a boy and injuries caused to some students ?

Sri B. D. JATTI.—An inquest has been held according to the Crimial Procedure Code and there is no question of postponing the inquest.

Sri B. S. SHANKARAPPA.—Is it not a fact that the police went and beat the boy severely when he was studying in his room and as a result of that he fell down dead ?

Sri B. D. JATTI.—That may be the inference of the hon'ble member, but my report does not show that.

Sri G. VENKATAI GOWDA.—Under section 54 of the Criminal Procedure Code did the police make any investigation and come to any conclusion in this case ?

Sri B. D. JATTI.—The procedures laid down in the Criminal Procedure Code and the Evidence Act have been observed in this case.

Sri C. J. MUCKANNAPPA.—At the time of investigation how many eye witnesses were examined ?

Sri B. D. JATTI.—As the hon'ble member knows, in all such matters no witnesses can be kept there when the incident is to happen to say how he was coming down and how he fell down, etc.

Sri K. KENCHAPPA.—It appears that the doctor has used the expression "external injury" external "for violence". In the absence of any external injury caused either to the body or the skin, how can it be said that the death was due to external injury ?

Sri B. D. JATTI.—It is the opinion of the medical men. I think the hon'ble member is not a medical man.

Sri K. KENCHAPPA.—Do you still believe that the death was due to a fall from a height ?

Sri B. D. JATTI.—I believe in the opinion given by the doctor unless it is proved otherwise.

Sri K. KENCHAPPA.—The opinion of the doctor is all right. Do you believe in the opinion of the doctor or in the opinion of the police that the death was due to a fall from a height ?

Sri B. D. JATTI.—I cannot form an opinion myself. I will have to base my opinion on the reports which I get from the Medical Department and the Police Department

---

Rehabilitation of Villages that come under the Submersion of Tungabhadra Reservoir.

*Q.—256. Sri M. M. PATIL (Hadagalli).—

Will the Government be pleased to state :—

(*a*) the names of villages which have not been rehabilitated so far out of the total villages which come under submersion of Tungabhadra Reservoir at 1635 level ;

(*b*) the reasons for the same (details to be furnished separately for Bellary District area) ;

(*c*) the rules followed in this behalf ;

(*d*) whether they will place a copy of the rules on the table of the House ?

A.—Sri H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—

(*a*)—

Dharwar District.

1 Hesrur
2 Korlahalli
3 Singtalur
4 Gangapur

Bellary District.

5 Hampasagar
6 Hakandi
7 Ankli
8 Enigi
9 Varadapuram
10 Marabbihal
11 Chilagodu
12 Madalagatta
13 Tambrahalli (part)
